

LIFEWAVE®

PRODUCT GUIDE

LONGEVITY

LIFEWAVE X39

x39 elevates GHK-Cu peptides known to activate a person's own stem cell activity and reset genes to a younger, healthier state. Supports cellular repair, pain relief, increased energy, and better sleep.

LIFEWAVE X49

x49 elevates AHK-Cu peptides that promote performance, strength, and stamina. Supports healthy cardiovascular system and promoted muscle gain and fat loss when paired with a diet and exercise program.

ANTI-AGING

Y-AGE GLUTATHIONE

Glutathione is the body's master antioxidant; a critical nutrient for a healthy immune system in defending against disease. It protects living cells from DNA damage by detoxifying cells of viral and bacterial pathogens.

Y-AGE AEON

Aeon reduces inflammation, cortisol, C-reactive proteins and stress. It elevates SOD (and importation antioxidant defense,) and balances autonomous nervous system and hormone production.

Y-AGE CARNOSINE

Carnosine protects the neurological system, improves bioelectrical properties of organs, and promotes overall health and wellness of the brain, heart, and muscles. Improves cognitive functions, and enhances athletic performance.

NIRVANA SYSTEM

Nirvana mood enhancer system elevates healthy production of beta-endorphins to enhance mood without drugs, chemicals, or stimulants. A positive impact towards well-balances emotional and mental health

ALAVIDA TRIO

Improves the health of your skin from the inside out. 98.6% naturally derived, plant-sources ingredients. Alavida elevates Epithalamin (a potent antioxidant,) reduces fine lines and wrinkles, and brights complexion.

SP6 COMPLETE

Complementary to a weight loss program, the SP6 Complete patch gently stimulates acupressure points on the body causing a natural decrease in hunger and sugar cravings.

QUALITY OF LIFE

ENERGY ENHANCER

Energy Enhancer increases beta-oxidation (energy production in the cells,) a process that produces more energy from fat during and by improving mitochondrial functions, and anti-aging benefit.

ICEWAVE

IceWave is a safe, powerful, and effective solution for all levels of pain. IceWave is designed to provide fast relief at the source of discomfort. Unlike most pharmaceutical pain-killers, IceWave is drug free and has no harmful side effects.

SILENT NIGHTS

Silent Nights regulates the natural and healthy production of melatonin without the use of drugs, chemicals, or stimulants. Proven to improve quality and length of sleep without causing a groggy feeling the next day.
